

WHAT YOU'LL NEED

- Used toilet roll
- Peanut butter (or coconut oil if you have allergies)
- Seeds - bird seed or bird-friendly seeds
- String
- Hole punch or scissors
- Twigs from garden or skewer sticks (these are re-used from a bamboo sushi mat)

STEP 1

Put two holes at the top of the toilet roll on opposite sides.

STEP 2

Put four holes at the bottom of the roll on opposite sides for the sticks to be slid through later on.

STEP 3

Cover toilet roll in peanut butter (or coconut oil if you have allergies).

STEP 4

Roll in bird seed.

STEP 5

Poke two sticks through the holes at the bottom.

STEP 6

Loop some string through the holes at the top.

STEP 7

Hang outside in your backyard!
