

WHAT YOU'LL NEED

- Bamboo sticks cut to various lengths
- Rubber bands
- Twine or string in any colour
- Fabric offcuts
- Wooden beads
- Scissors to cut string or twine

STEP 1

Pick your bamboo sticks and place them in the bamboo holder.
If at home, hold them tight together in your hand.

STEP 2

Wrap rubber bands around each end of the bamboo to hold them together tight.

STEP 3

Pick your fabric offcut and place over one end of the bamboo, hold tight or use rubber band.

STEP 4

Wrap the twine or string around the end of the fabric first. Work your way up to the other end of the twine, wrapping tightly as you go.

STEP 5

Add wooden beads or other reclaimed trinkets to the twine as you wrap.

STEP 6

Loop some string through the wrapped twine to create a hanging loop.

STEP 7

Hang outside in your backyard and watch the bees enjoy their new Bee Hotel

GREEN HEART RANGER DIY BEE HOTEL
